Defense mechanisms worksheet professor hokerson

Loading Psychology 300 Professor Therson Defence Mechanism Worksheet Page 1 of 5 Part 1. Understanding the defence mechanism review the structures of the personality and ego defence mechanism in Chapter 11 then answer the questions below. 1. What develops when the demanding ego of ID and superego threatens to prevail? 2. What is the result when ID overpowers the ego? When does Superego overpower the ego? 3. What is the purpose of ego defence mechanism? Then it describes match the definition with the type of defense mechanism. Definition defense mechanisms When adult defense mechanisms stop working for us, we retreat to a personality we had in childhood. Displacement regression projection rationalization suppression response formation sublimation overacting denial in a manner contrary to fear or reality. Unacceptable or threatening feelings push out of awareness unconscious of a point where he/she becomes unaware of it. Refusing to accept that a worrying event has occurred. Replacing an unacceptable action or thought with one that is acceptable. The person holds someone else responsible for the alleged negative qualities. Transferring the operation from a desired target to the substitute target when there is a reason why the first target is not allowed or available. Redirecting destructive urges into justifying socially acceptable actions of ideas or actions with socially acceptable interpretations, while hiding or ignoring people to conceal or ignore true intentions. Psychology 300 Professor Therson Defence System Worksheet Page 2 of 5 Part 2. What is the defense mechanism that is being used? Use each answer as often as necessary. You can also create flash cards with them using tables on the last page of this worksheet. Displacement regression projection repression response formation sublimation dising denial rationalization example Nicholas lost his track race and said, I would have won the race but the track was wet. Bill blames the instructor for a bad grade when he didn't study. Otto wins the lottery. He turns to the person next to her and gives the person a big kiss. Veata suffered a mental breakdown and assumed fetal conditions, rocking and crying. Fenecia is in a hurry and has another driver cut off on the highway, then patiently waits in a closed light for a car to pull in front of him because he feels bad about cutting someone in advance. Ayesha is an obsessive need for control and order and starts a successful business entrepreneur. Toby is certain to take his teddy-bear with him in his first year in college and puts on his nightstand every night. Yvette is attracted to a fellow worker, but accused her of sexual advances. Misha is a womaniser and criticizes openly gay men, though she has had sex with men in her past. Alexis says to her mother, you're the worst mom ever! But then her room clears like she was asked. Philip was abused by a parent as a young child There's still no recollection of events, but the trouble is creating relationships. Tatyana has been a smoker for more than 10 years, but has concluded that evidence linking cigarette use to health problems is bogus. Psychology 300 Professor Hokerson's defense mechanism worksheet 5 found 3 deliveries of Sophia particularly painful, but continues for children (and each time the pain level is surprising). Julio avoids paying taxes and justifies it by talking about how the government wastes money. Gizela is angry with a colleague, but actually ends up being particularly polite and friendly towards her. After getting into a fight with her husband yesterday, Mark cooks her husband's favourite food for dinner. Jacob has extra-medle desires but when his wife is out of town, he repairs the house. Michael was bullied at school today and kicked a hole in his wall when he got home. Madison was fired this week for poor conduct, but instead blames the owner because, he's a jerk. Li was outraged that his wife became pregnant, but the baby is very much protected after he is born. Yasir got into a verbal argument with his neighbor and instead of killing him he went to his backyard and sliced firewood. Eric is having an affair but doesn't think about pregnancy or sexually transmitted diseases. The Chantels boss reprimanded her at work and that night she yelled at her daughter for dropping a glass of water. Esther is an alcoholic, but often says I may prefer to drink, but Im not an alcoholic. Jacob has extra-medle desires but when his wife is out of town, he repairs the house. Sam blames husband for cheating and cheating on her husband .
